AFFIRMATIVE & OTHER DEFENSES

1. *Intervening/superseding criminal act.* The damages of which Plaintiff complains were proximately caused or contributed to by the criminal acts of other persons.
2. *Failure to join indispensable parties.* Plaintiff's claims are barred by her failure to join parties who are necessary and indispensable, including the driver who allegedly committed the acts giving rise to her lawsuit.
3. *Good faith.* Defendants acted in good faith, dealt fairly with Plaintiff, and gave adequate warnings to Plaintiff with regard to all known or reasonably knowable risks associated with the use of the Uber service.
4. *Independent contractor.* Plaintiff's claims are barred, in whole or in part, under the independent contractor defense, as the driver alleged to have committed the acts giving rise to this lawsuit was independently responsible for his own means, methods, and actions.
5. *Apportionment of fault/comparative fault.* Any alleged damages awarded to Plaintiff must be apportioned according to the respective fault of the parties, persons and entities who contributed to Plaintiff's supposed losses or injuries.
6. *Consent/assumption of risk.* Plaintiff consented to the use of the Uber service knowing the nature and potential risks surrounding that service.
7. *Offset/failure to mitigate damages.* Plaintiff is not entitled to recover any damages due to her own failure to take reasonable efforts to mitigate the amount of those damages. And to the extent she has mitigated her damages, the costs incurred by Plaintiff were (or will be) borne, in whole or in part, from collateral sources, including through insurance.
8. *Joint and several liability.* Any liability for any non-economic damages awarded to Plaintiff must be limited by California Civil Code § 1431.2, which limits Uber's responsibility to its proportionate share of those damages.
9. *Prior release/limitation of liability and damages (Terms of Use).* Plaintiff's claims are barred by a prior release of all claims pursuant to Uber's Terms of Use, which disclaim any liability or damages resulting from the actions of third-party drivers.

10. *Abstention*. The Court should abstain from adjudicating Plaintiff's claims in deference to the limitations provided by California Public Utilities Code Section 1759.
